

## How Do I Access Practice Modules and Drills to Prepare To Take My License Exams?

- All practice modules are found on the [elightinformation.com](http://elightinformation.com) page under the Practice tab. You may also click this link: <https://dgwtraining.com/practice>
- On this page you can find practice modules for code look up, NICET, Denver fire alarm, power testing Journeyman's exam, calculations.
- Alongside the practice modules are practice tests and memory drills.
- If there is any other practice/preparation you are looking for that cannot be found on the practice page, [please contact Director of Loss Prevention and Education](#)
