Must be at least if adjunction long and contain it of the 4 following character (gen. SpeetSerie), Control Character	Date: Number: or Special
Content paceword *	Dow

3) Next you will be asked to select your Topics of Interest. These will help NFPA select codes that may be helpful.

4) On the next screen you will see suggested codes to add to your favorites. Select any you need and press continue.

5) You will now be directed to your home page. Any codes you have added to your favorites will be displayed.
